2. (U) Sign Language: For the last few months [REDACTED], the senior secretary in our [REDACTED] Office, has been studying sign language on her own during off-duty hours. The recruiter found her assistance to be extremely helpful and the applicant complimented [REDACTED] on her skills.

3. (U) DCI Meeting: We have been drafting notes for the Office of Legislative Counsel's [REDACTED] paper for the DCI's meeting with the Congressional Women's Caucus.

5. (U) New Training Course: Preparations continue on schedule for the October inaugural of the Personnel Administration and Management Course. Lecture outlines are being received as requested.

6. (C) Supergrade Factor Evaluation Guide: The proposed Supergrade Factor Evaluation Guide is undergoing refinements to clarify some key terms and to sharpen the factor level descriptions to distinguish more clearly the levels of work and responsibility. The need for such refinements was surfaced during the test and validation of the Guide in the OP/Position Management and Compensation Division's workshop recently held at the [REDACTED]

7. (C) Retirement Activity: The figures shown below depict the total retirement activity for the period 1 January through 30 June 1978. The figures in the clear show totals. The figures in parentheses represent persons who have opted for discontinued service or "involuntary" retirement; the figures in parentheses are included in the total figure. Thus, of 269 persons who retired during this period, 130 retired under the "liberal" options.

	<u>Civil Service</u>	<u>CIARDS</u>	<u>Total</u>
Retired	99 (51)	170 (79)	269 (130)*

*Thus, 48% of retirements for the first half of Calendar Year 1978 were via the special options.
